## Real Estate Glossary

ABSORPTION RATE [Back to top](#)

The ratio of the number of properties in an area that have been sold against the number available. Used to show the volatility of a market.

ABSTRACTION METHOD [Back to top](#)

This method of estimating the value of property uses similar properties available in the same market to extract the value of a parcel of land.

ACCELERATION CLAUSE [Back to top](#)

A provision in a mortgage that gives the lender the right to demand immediate payment of the outstanding loan balance under certain circumstances. Usually when the borrower defaults on the loan.

ACCESSORY BUILDING [Back to top](#)

A building separate from the main structure on a property. Often used for a specific purpose, such as a workshop, storage shed or garage.

ACCRETION [Back to top](#)

The natural growth of a piece of land resulting from forces of nature

ACRE [Back to top](#)

43,560 square feet. A measurement of area.

ACTUAL AGE [Back to top](#)

The amount of time that has passed since a building or other structure was built. See also: EFFECTIVE AGE

ADJUSTMENT DATE [Back to top](#)

The date the interest rate changes on an adjustable rate mortgage.

AD VAL OREM TAX [Back to top](#)

Taxes assessed based on the value of the land and improvements

ADDENDUM [Back to top](#)

A supplement to any document that contains additional information pertinent to the subject. Appraisers use an addendum to further explain items for which there was inadequate space

TODAY

## Experience the Advantage of an Executive Today!

on the standard appraisal form.

ADJUSTABLE-RATE MORTGAGE (ARM) [Back to top](#)

A type of mortgage where the interest rate varies based on a particular index, normally the prime lending rate.

ADJUSTED BASIS [Back to top](#)

The value of an asset (property or otherwise) that includes the original price plus the value of any improvement, and less any applicable depreciation.

ADJUSTED SALES PRICE [Back to top](#)

An opinion of a property's sales price, after adjustments have been made to account for differences between it and another comparable property.

AESTHETIC VALUE [Back to top](#)

The additional value a property enjoys based on subjective criteria such as look or appeal.

AFFIRMATION [Back to top](#)

A declaration that a certain set of facts are truthful.

AFFORDABILITY ANALYSIS [Back to top](#)

A calculation used to determine an individual's likelihood of being able to meet the obligations of a mortgage for a particular property. Takes into account the down payment, closing costs and on-going mortgage payments.

AGENT [Back to top](#)

A person who has been appointed to act on behalf of another for a particular transaction.

AMENITY [Back to top](#)

Any feature of a property that increases its value or desirability. These might include natural amenities such as location or proximity to mountains, or man-made amenities like swimming pools, parks or other recreation.

AMERICAN SOCIETY OF APPRAISERS [Back to top](#)

An organization of appraisal professionals and others interested in the appraisal profession.

AMORTIZATION [Back to top](#)

The repayment of a loan through regular periodic payment.

AMORTIZATION SCHEDULE [Back to top](#)

The breakdown of individual payments throughout the life of an amortized loan, showing both principal contribution and debt service (interest) fees.

AMORTIZATION TERM [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

The length of time over which an amortized loan is repaid. Mortgages are commonly amortized over 15 or 30 years.

AMPERAGE [Back to top](#)

A measure of electric current describing the magnitude.

ANNUAL PERCENTAGE RATE (APR) [Back to top](#)

The rate of annual interest charged on a loan.

ANNUITY [Back to top](#)

A sum of money paid at regular intervals, often annually.

APPLICATION [Back to top](#)

A form used to apply for a mortgage loan that details a potential borrower's income, debt, savings and other information used to determine credit worthiness.

APPRAISAL [Back to top](#)

A "defensible" and carefully documented opinion of value. Most commonly derived using recent sales of comparable properties by a licensed, professional appraiser.

APPRAISAL FOUNDATION [Back to top](#)

A not-for-profit educational organization established by the appraisal profession in the United States in 1987. It is dedicated to the advancement of professional valuation and responsible for establishing, improving, and promoting the Uniform Standards of Professional Appraisal Practice (USPAP).

APPRAISAL INSTITUTE [Back to top](#)

A world-wide organization dedicated to real estate appraisal education, publication and advocacy.

APPRAISAL PRINCIPLES [Back to top](#)

The basic building blocks of the property valuation process, including property inspection, market analysis and basic economics.

APPRAISAL REPORT [Back to top](#)

The end result of the appraisal process usually consists of one major standardized form such as, the Uniform Residential Appraisal Report form 1004, as well as all supporting documentation and additional detail information. The purpose of the report is to convey the opinion of value of the subject property and support that opinion with corroborating information.

APPRAISAL STANDARDS BOARD (ASB) [Back to top](#)

An independent board of the APPRAISAL FOUNDATION, which writes, amends, and interprets USPAP. The ASB is composed of up to seven appraisers appointed by the

TODAY

## Experience the Advantage of an Executive Today!

Foundation's Board of Trustees. The ASB holds public meetings throughout the year to interpret and amend USPAP.

APPRAISED VALUE [Back to top](#)

An opinion of the fair market value of a property as developed by a licensed, certified appraiser following accepted appraisal principals.

APPRAISER [Back to top](#)

An educated, certified professional with extensive knowledge of real estate markets, values and practices. The appraiser is often the only independent voice in any real estate transaction with no vested interest in the ultimate value or sales price of the property.

APPRECIATION [Back to top](#)

The natural rise in property value due to market forces.

ARMS LENGTH TRANSACTION [Back to top](#)

Any transaction in which the two parties are unconnected and have no overt common interests. Such a transaction most often reflects the true market value of a property.

ASSESSED VALUE [Back to top](#)

The value of a property according to jurisdictional tax assessment.

ASSESSMENT [Back to top](#)

The function of assigning a value to a property for the purpose of levying taxes.

ASSESSMENT RATIO [Back to top](#)

The comparative relationship of a property's assessed value to its market value.

ASSESSOR [Back to top](#)

The jurisdictional official who performs the assessment and assigns the value of a property.

ASSET [Back to top](#)

Any item of value which a person owns.

ASSIGNMENT [Back to top](#)

Transfer of ownership of a mortgage usually when the loan is sold to another company.

ASSUMABLE MORTGAGE [Back to top](#)

A mortgage that can be taken over by the buyer when a home is sold.

ASSUMPTION [Back to top](#)

When a buyer takes over, or "assumes" the sellers mortgage.

ATTACHED HOUSING [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

Any number of houses or other dwellings which are physically attached to one another, but are occupied by a number of different people. The individual houses may or may not be owned by separate people as well.

BACKFILL [Back to top](#)

The slope of the ground around a house.

BALL COCK VALVE [Back to top](#)

The valve inside a toilet tank that controls the filling of the tank.

BALLOON MORTGAGE [Back to top](#)

A mortgage loan in which the monthly payments are not large enough to repay the loan by the end of the term. So at the end of the term, the remaining balance comes due in a single large payment.

BALLOON PAYMENT [Back to top](#)

The final large payment at the end of a balloon mortgage term.

BANKRUPTCY [Back to top](#)

When a person or business is unable to pay their debts and seeks protection of the state against creditors. Bankruptcies remain on credit records for up to ten years and can prevent a person from being able to get a loan.

BEAM [Back to top](#)

A structural supporting member.

BILL OF SALE [Back to top](#)

A physical receipt indicating the sale of property.

BIWEEKLY MORTGAGE [Back to top](#)

A mortgage where you make "half payments" every two weeks, rather than one payment per month. This results in making the equivalent of 13 monthly payments per year, rather than 12, significantly reducing the time it takes to pay off a thirty year mortgage.

BLIGHTED AREA [Back to top](#)

Any region of a city or town that has fallen into disrepair or otherwise has become undesirable.

BONA FIDE [Back to top](#)

Any genuine offer, made without intent to defraud or deceive.

BRIDGE FINANCING [Back to top](#)

An interim loan made to facilitate the purchase of a new home before the buyer's current

TODAY

## Experience the Advantage of an Executive Today!

residence sells and its equity is available to fund the new purchase.

**BRIDGING** [Back to top](#)

Structural members used between beams to strengthen the structure.

**BROKER** [Back to top](#)

An individual who facilitates the purchase of property by bringing together a buyer and a seller.

**BTU** [Back to top](#)

British Thermal Unit. A unit of measurement used to describe heating or cooling capacity.

**BUFFER ZONE** [Back to top](#)

A segment of land between two disparate municipal zones which acts as a shield to keep one zone from encroaching upon the other. Often used to separate residential districts from commercial areas.

**BUILDING CODE** [Back to top](#)

Regulations that ensure the safety and material compliance of new construction within a municipality. Building codes are localized to ensure they are adequate to meet the risk of common hazards.

**BUILDING LINE OR SETBACK** [Back to top](#)

The statutory distance between buildings and the property line, imposed by municipalities, home associations, or other agreements.

**BUILT-INS** [Back to top](#)

Specific items of personal property which are installed in a real estate improvement such that they become part of the building. Built-in microwave ovens and dishwashers are common examples.

**BUNGALOW** [Back to top](#)

A one-story, home-style dating from the early twentieth century. Often characterized by a low-pitched roof.

**BUY DOWN** [Back to top](#)

Extra money paid in a lump sum to reduce the interest rate of a fixed rate mortgage for a period of time. The extra money may be paid by the borrower, in order to have a lower payment at the beginning of the mortgage. Or paid by the seller, or lender, as incentive to buy the property or take on the mortgage.

**BX CABLE** [Back to top](#)

Electrical cable shrouded in a galvanized steel outer cover.

TODAY

## Experience the Advantage of an Executive Today!

CALL OPTION [Back to top](#)

A clause in a mortgage which allows the lender to demand payment of the outstanding balance at a specific time.

CAP [Back to top](#)

Associated with Adjustable Rate Mortgages. A limit on how high monthly payments or how much interest rates may change within a certain time period or the life of the mortgage.

CAPE COD COLONIAL [Back to top](#)

A single-story house style made popular in New England. Often characterized by a steep roof with gables.

CAPITAL [Back to top](#)

Accumulated goods and money which is most often used to generate additional income.

CAPITAL EXPENDITURE [Back to top](#)

An outlay of funds designed to improve the income-producing capabilities of an asset or to extend its economic life.

CASH-OUT REFINANCE [Back to top](#)

Refinancing a mortgage at a higher amount than the current balance in order to transform a portion of the equity into cash.

CAULKING [Back to top](#)

A pliable material used to seal cracks or openings such as around windows.

CAVEAT EMPTOR [Back to top](#)

Literally translated: "Let the buyer beware." A common business tenet whereby the buyer is responsible for verifying any and all claims by the seller of property.

CERTIFICATE OF DEPOSIT [Back to top](#)

A document showing that the bearer has a certain amount of money, at a particular amount interest, on deposit with a financial institution.

CERTIFICATE OF DEPOSIT INDEX [Back to top](#)

An index based on the interest rate of six month CD's. Used to set interest rates on some Adjustable Rate Mortgages.

CERTIFICATE OF ELIGIBILITY [Back to top](#)

A document issued by the Veterans Administration that certifies eligibility for a VA loan.

CERTIFICATE OF OCCUPANCY [Back to top](#)

Issued by an appropriate jurisdictional entity, this document certifies that a building

TODAY

## Experience the Advantage of an Executive Today!

complies with all building codes and is safe for use or habitation.

CERTIFICATE OF REASONABLE VALUE (CRV) [Back to top](#)

Usually based on an independent appraisal, a CRV for a particular property establishes the maximum amount which can be secured by a VA mortgage.

CERTIFICATE OF TITLE [Back to top](#)

A document designating the legal owner of a parcel of real estate. Usually provided by a title or abstract company.

CERTIFIED GENERAL APPRAISER [Back to top](#)

Generally, any professional who has met the local or state requirements, and passed the appropriate certification exam, and is capable of appraising any type of property.

CERTIFIED RESIDENTIAL APPRAISER [Back to top](#)

A sub-classification of appraiser who is only licensed to appraise residential property, usually up to four units.

CHAIN OF TITLE [Back to top](#)

The complete history of ownership of a piece of property.

CHATTEL [Back to top](#)

Any personal property which is not attached to or an integral part of a property. Chattel is not commonly taken into consideration when appraising the value of real property.

CIRCUIT BREAKERS [Back to top](#)

Electrical devices which automatically open electrical circuits if they are overloaded.

CLEAR TITLE [Back to top](#)

Ownership of property that is not encumbered by any counter-claim or lien.

CLOSING [Back to top](#)

A torturous process designed to induce cramping in a home buyer's hands by requiring signature on countless pieces of documentation that nobody has ever read. Or, the process whereby the sale of a property is consummated with the buyer completing all applicable documentation, including signing the mortgage obligation and paying all appropriate costs associated with the sale (CLOSING COSTS).

CLOSING COSTS [Back to top](#)

All appropriate costs generated by the sale of property which the parties must pay to complete the transaction. Costs may include appraisal fees, origination fees, title insurance, taxes and any points negotiated in the deal.

CLOSING STATEMENT [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

The document detailing the final financial arrangement between a buyer and seller and the costs paid by each.

CO-BORROWER [Back to top](#)

A second person sharing obligation on the loan and title on the property.

COLLATERAL [Back to top](#)

An asset which is placed at risk to secure the repayment of a loan.

COLLECTION [Back to top](#)

The process a lender takes to pursue a borrower who is delinquent on his payments in order to bring the mortgage current again. Includes documentation that may be used in foreclosure.

CO-MAKER [Back to top](#)

A second party who signs a loan, along with the borrower, and becomes liable for the debt should the borrower default.

COMMON LAW [Back to top](#)

As opposed to statute law. Laws that have been established by custom, usage and courts over many years.

COMMISSION [Back to top](#)

A percentage of the sales price or a fixed fee negotiated by an agent to compensate for the effort expended to sell or purchase property.

COMMON AREA ASSESSMENTS [Back to top](#)

Fees which are charged to the tenants or owners of properties to cover the costs of maintaining areas shared with other tenants or owners. Commonly found in condominium, PUD or office spaces.

COMMON AREAS [Back to top](#)

Any areas, such as entryways, foyers, pools, recreational facilities or the like, which are shared by the tenants or owners of property near by. Commonly found in condominium, PUD or office spaces.

COMMUNITY PROPERTY [Back to top](#)

In many jurisdictions, any property which has been acquired by a married couple. The ownership of the property is considered equal unless stipulated otherwise by both parties.

COMPARABLES [Back to top](#)

An abbreviated term used by appraisers to describe properties which are similar in size, condition, location and amenities to a subject property whose value is being determined. The Uniform Standards of Professional Appraisal Practice (USPAP) establish clear guidelines

TODAY

## Experience the Advantage of an Executive Today!

for determining a comparable property.

COMPOUND INTEREST [Back to top](#)

Interest paid on the principal amount, as well as any accumulated interest.

CONCESSIONS [Back to top](#)

Additional value granted by a buyer or seller to entice another party to complete a deal.

CONDEMNATION [Back to top](#)

The official process by which a property is deemed to be uninhabitable or unusable due to internal damage or other external conditions.

CONDENSATION [Back to top](#)

The transition of water vapor to liquid. Typically forms in areas of high humidity.

CONDOMINIUM [Back to top](#)

A development where individual units are owned, but common areas and amenities are shared equally by all owners.

CONDOMINIUM CONVERSION [Back to top](#)

Commonly, the conversion of a rental property such as an apartment complex into a CONDOMINIUM-style complex where each unit is owned rather than leased.

CONDUIT [Back to top](#)

The pipe through which electric wiring is run.

CONSTRUCTION LOAN [Back to top](#)

A loan made to a builder or home owner that finances the initial construction of a property, but is replaced by a traditional mortgage one the property is completed.

CONTIGUOUS [Back to top](#)

Connected to or touching along an unbroken boundary.

CONTINGENCY [Back to top](#)

Something that must occur before something else happens. Often used in real estate sales when a buyer must sell a current home before purchasing a new one. Or, when a buyer makes an offer that requires a complete home inspection before it becomes official.

CONTRACT [Back to top](#)

A legally binding agreement, oral or written, between two parties.

CONVENTIONAL MORTGAGE [Back to top](#)

A traditional, real estate financing mechanism that is not backed by any government or

TODAY

## Experience the Advantage of an Executive Today!

other agency (FHA, VA, etc.).

**CONVERTIBLE ARM** [Back to top](#)

A mortgage that begins as and adjustable, that allows the borrower to convert the loan to a fixed rate within a specific timeframe.

**COOPERATIVE (CO-OP)** [Back to top](#)

A form of ownership where each resident of a multiunit property owns a share in a cooperative corporation that owns the building. With each resident having rights to a specific unit within the building.

**CORPORATE RELOCATION** [Back to top](#)

A situation where a person's employer pays all or some of the expenses associated with moving from one location to another, usually over a substantial distance. Relocation expenses often include the amounts, such as brokerage fees, incurred in the selling and buying of the employee's primary residence.

**COST OF FUNDS INDEX (COFI)** [Back to top](#)

An index of financial institutions costs used to set interest rates for some Adjustable Rate Mortgages.

**COVENANT** [Back to top](#)

A stipulation in any mortgage that, if not met, can be cause for the lender to foreclose.

**CREDIT** [Back to top](#)

A loan of money for the purchase of property, real or personal. Credit is either secured by an asset, such as a home, or unsecured.

**CREDIT HISTORY** [Back to top](#)

A record of debt payments, past and present. Used by mortgage lenders in determining credit worthiness of individuals.

**CREDITOR** [Back to top](#)

A person to whom money is owed.

**CREDIT REPORT** [Back to top](#)

A detailed report of an individuals credit, employment and residence history prepared by a credit bureau. Used by lenders to determine credit worthiness of individuals.

**CREDIT REPOSITORY** [Back to top](#)

Large companies that gather and store financial and credit information about individuals who apply for credit.

**CUL-DE-SAC** [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

A dead-end street. One with only one entrance/exit.

DATE OF APPRAISAL [Back to top](#)

The specific point in time as of which an appraiser designates the value of a home. Often stipulated as the date of inspection.

DEBT [Back to top](#)

An obligation to repay some amount owed. This may or may not be monetary.

DEBT EQUITY RATIO [Back to top](#)

The ratio of the amount a mortgagor still owes on a property to the amount of equity they have in the home. Equity is calculated at the fair-market value of the home, less any outstanding mortgage debt.

DEED [Back to top](#)

A document indicating the ownership of a property.

DEED-IN-LIEU (OF FORECLOSURE) [Back to top](#)

A document given by a borrower to a lender, transferring title of the property. Often used to avoid credit-damaging foreclosure procedures.

DEED OF TRUST [Back to top](#)

A document which transfers title in a property to a trustee, whose obligations and powers are stipulated. Often used in mortgage transactions.

DEED OF RECONVEYANCE [Back to top](#)

A document which transfers ownership of a property from a Trustee back to a borrower who has fulfilled the obligations of a mortgage.

DEED OF RELEASE [Back to top](#)

A document which dismisses a lien or other claim on a property.

DEED OF SURRENDER [Back to top](#)

A document used to surrender any claim a person has to a property.

DEFAULT [Back to top](#)

The condition in which a borrower has failed to meet the obligations of a loan or mortgage.

DELINQUENCY [Back to top](#)

The state in which a borrow has failed to meet payment obligations on time.

DEPOSIT [Back to top](#)

Cash given along with an offer to purchase property, Also called EARNEST MONEY.

TODAY

## Experience the Advantage of an Executive Today!

### DEPRECIATION [Back to top](#)

The natural decline in property value due to market forces or depletion of resources.

### DETACHED SINGLE-FAMILY HOME [Back to top](#)

A single building improvement intended to serve as a home for one family.

### DISCOUNT POINTS [Back to top](#)

Points paid in addition to the loan origination fee to get a lower interest rate. One point is equal to one percent of the loan amount.

### DISTRESSED PROPERTY [Back to top](#)

A mortgaged property which has been foreclosed on.

### DOWNSPOUT [Back to top](#)

The pipe that water moves through to reach the ground from the rain gutter.

### DUE-ON-SALE PROVISION [Back to top](#)

A clause in a mortgage giving the lender the right to demand payment of the full balance when the borrower sells the property.

### DUPLEX [Back to top](#)

A single-building improvement which is divided and provides two units which serve as homes to two families.

### DWELLING [Back to top](#)

A house or other building which serves as a home.

### DOWN PAYMENT [Back to top](#)

An amount paid in cash for a property, with the intent to mortgage the remaining amount due.

### EARNEST MONEY DEPOSIT [Back to top](#)

A cash deposit made to a home seller to secure an offer to buy the property. This amount is often forfeited if the buyer decides to withdraw his offer.

### EASEMENT [Back to top](#)

The right of a non-owner of property to exert control over a portion or all of the property. For example, power companies often own an easement over residential properties for access to their power lines.

### EAVE [Back to top](#)

The part of the roof that extends beyond the exterior wall.

### ECONOMIC DEPRECIATION [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

The decline in property value caused by external forces, such as neighborhood blight or adverse development.

**ECONOMIC LIFE** [Back to top](#)

The amount of time which any income-producing property is able to provide benefits to its owner.

**EFFECTIVE AGE** [Back to top](#)

The subjective, estimated age of a property based on its condition, rather than the actual time since it was built. Excessive wear and tear can cause a property's effective age to be greater than its actual age.

**EMINENT DOMAIN** [Back to top](#)

The legal process whereby a government can take ownership of a piece of property in order to convert it to public use. Often, the property owner is paid fair-market value for the property.

**ENCROACHMENT** [Back to top](#)

A building or other improvement on one property which invades another property or restricts its usage.

**ENCUMBRANCE** [Back to top](#)

A claim against a property. Examples are mortgages, liens and easements.

**ENERGY EFFICIENCY RATIO** [Back to top](#)

An efficiency rating system for air conditioning units that corresponds to the number of BTU's output per watt of electricity used.

**EQUAL CREDIT OPPORTUNITY ACT (ECOA)** [Back to top](#)

U.S. federal law requiring that lenders afford people equal chance of getting credit without discrimination based on race, religion, age, sex etc

**EQUITY** [Back to top](#)

The difference between the fair market value of a property and that amount an owner owes on any mortgages or loans secured by the property.

**EQUITY BUILDUP** [Back to top](#)

The natural increase in the amount of equity an owner has in a property, accumulated through market appreciation and debt repayment.

**ERRORS AND OMISSIONS INSURANCE** [Back to top](#)

An insurance policy taken out by appraisers to cover their liability for any mistakes made during the appraisal process.

TODAY

## Experience the Advantage of an Executive Today!

### ESCROW [Back to top](#)

An amount retained by a third party in a trust to meet a future obligation. Often used in the payment of annual taxes or insurance for real property.

### ESCROW ACCOUNT [Back to top](#)

An account setup by a mortgage servicing company to hold funds with which to pay expenses such as homeowners insurance and property taxes. An extra amount is paid with regular principal and interest payments that go into the escrow account each month.

### ESCROW ANALYSIS [Back to top](#)

An analysis performed by the lender usually once each year to see that the amount of money going into the escrow account each month is correct for the forecasted expenses.

### ESCROW DISBURSEMENTS [Back to top](#)

The payout of funds from an escrow account to pay property expenses such as taxes and insurance.

### ESTATE [Back to top](#)

The total of all property and assets owned by an individual.

### EXAMINATION OF TITLE [Back to top](#)

The report on the title of a property from the public records or an abstract of the title.

### EXCLUSIVE LISTING [Back to top](#)

An agreement between the owner of a property and a real estate agent giving the agent exclusive right to sell the property.

### EXECUTOR [Back to top](#)

The person named in a will to administer the estate.

### FACADE [Back to top](#)

The front exposure of any building. Often used to describe an artificial or false front which is not consistent with the construction of the rest of the building.

### FAIR CREDIT REPORTING ACT [Back to top](#)

A federal law regulating the way credit agencies disclose consumer credit reports and the remedies available to consumers for disputing and correcting mistakes on their credit history.

### FAIR MARKET VALUE [Back to top](#)

The price at which two unrelated parties, under no duress, are willing to transact business.

### FANNIE MAE [Back to top](#)

A private, shareholder-owned company that works to make sure mortgage money is

TODAY

## Experience the Advantage of an Executive Today!

available for people to purchase homes. Created by Congress in 1938, Fannie Mae is the nation's largest source of financing for home mortgages.

FASCIA [Back to top](#)

The boards that enclose the eaves.

FEDERAL DEPOSIT INSURANCE CORPORATION (FDIC) [Back to top](#)

The U.S. Government agency created in 1933 which maintains the stability of and public confidence in the nation's financial system by insuring deposits and promoting safe and sound banking practices.

FEDERAL HOUSING ADMINISTRATION (FHA) [Back to top](#)

A sub-agency of the U.S. Department of Housing and Urban Development created in the 1930's to facilitate the purchase of homes by low-income, first-time home buyers. It currently provides federally-subsidized mortgage insurance for private lenders.

FEE APPRAISER [Back to top](#)

A certified, professional appraiser who forms an opinion of the fair market value of property and receives a set fee in exchange.

FEE SIMPLE [Back to top](#)

A complete, unencumbered ownership right in a piece of property.

FEE SIMPLE ESTATE [Back to top](#)

A form or ownership, or holding title to real estate. It is the most complete form of title, having an unconditional and unlimited interest of perpetual duration.

FHA MORTGAGE [Back to top](#)

A mortgage that is insured by the Federal Housing Administration (FHA).

FINAL VALUE ESTIMATE [Back to top](#)

The opinion of value of a piece of property resulting from an appraisal following the USPAP guidelines.

FIRST MORTGAGE [Back to top](#)

The primary loan or mortgage secured by a piece of property.

FIXED-RATE MORTGAGE (FRM) [Back to top](#)

A mortgage which has a fixed rate of interest over the life of the loan.

FIXTURE [Back to top](#)

Any piece of personal property which becomes permanently affixed to a piece of real property.

TODAY

## Experience the Advantage of an Executive Today!

### FLASHING [Back to top](#)

The metal used around the base of roof mounted equipment, or at the junction of angles used to prevent leaking.

### FLOOD INSURANCE [Back to top](#)

Supplemental insurance which covers a home owner for any loss due to water damage from a flood. Often required by lenders for homes located in FEMA-designated flood zones.

### FLOOR PLAN [Back to top](#)

The representation of a building which shows the basic outline of the structure, as well as detailed information about the positioning of rooms, hallways, doors, stairs and other features. Often includes detailed information about other fixtures and amenities.

### FLUE [Back to top](#)

The furnace exhaust pipe, usually going through the roof.

### FLUSH VALVE [Back to top](#)

The valve between the toilet bowl and the tank.

### FOOTING [Back to top](#)

The partially buried support for a vertical structural member such as a post.

### FORECLOSURE [Back to top](#)

The process whereby a lender can claim the property used by a borrower to secure a mortgage and sell the property to meet the obligations of the loan.

### FORFEITURE [Back to top](#)

The loss of property or money due to the failure to meet the obligations of a mortgage or loan secured by that property.

### FOUNDATION [Back to top](#)

The solid structural element upon which a structure is built.

### FRONTAGE [Back to top](#)

The segment of a property that runs along a point of access, such as a street or water front.

### FUNCTIONAL OBSOLESCENCE [Back to top](#)

A decrease in the value of property due to a feature or lack thereof which renders the property undesirable. Functional obsolescence can also occur when the surrounding area changes, rendering the property unusable for its originally intended purpose.

### GABLE ROOF [Back to top](#)

A steeply angled, triangular roof.

TODAY

## Experience the Advantage of an Executive Today!

**GALVANIZED PIPE** [Back to top](#)

Iron pipe with a galvanized (zinc) coating.

**GAMBREL ROOF** [Back to top](#)

A "barn-like" roof, where the upper portion of the roof is less-steeply angled than the lower part.

**GENERAL LIEN** [Back to top](#)

A broad-based claim against several properties owned by a defaulting party.

**GEORGIAN** [Back to top](#)

A classic, English-style house characterized by simple rectangular shape and multiple stories.

**GFI** [Back to top](#)

Ground Fault Interrupter. A type of circuit breaker required in areas where water is present.

**GINNIE MAE** [Back to top](#)

A wholly owned corporation created in 1968 within the U.S. Department of Housing and Urban Development to serve low-to moderate-income homebuyers.

**GIRDER** [Back to top](#)

A main supporting beam.

**GOVERNMENT MORTGAGE** [Back to top](#)

Any mortgage insured by a government agency, such as the FHA or VA.

**GRADE** [Back to top](#)

The slope of land around a building. Also ground level.

**GRANTEE** [Back to top](#)

Any person who is given ownership of a piece of property.

**GRANTOR** [Back to top](#)

Any person who gives away ownership of a piece of property.

**GROSS AREA** [Back to top](#)

The sum total of all floor space, including areas such as stairways and closet space. Often measured based on external wall lengths.

**GROUTING** [Back to top](#)

Material used around ceramic tile.

**GUTTER** [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

The trough around the edge of the roof that catches and diverts rain.

HALF-SECTION [Back to top](#)  
320 acres.

HAZARD INSURANCE [Back to top](#)  
Insurance covering damage to a property caused by hazards such as fire, wind and accident.

HEADER [Back to top](#)  
The framing elements above an opening such as a window or door.

HEARTH [Back to top](#)  
The floor of a fireplace or the area immediately in front of it.

HEIGHT ZONING [Back to top](#)  
A municipal restriction on the maximum height of any building or other structure.

HIDDEN AMENITIES [Back to top](#)  
Assets of a property which contribute to its value, but are not readily apparent. Examples might include upgraded or premium building materials.

HIGHEST AND BEST USE [Back to top](#)  
The most profitable and likely use of a property. Selected from reasonably probable and legal alternative uses, which are found to be physically possible, appropriately supported and financially feasible to result in the highest possible land value.

HOME EQUITY CONVERSION MORTGAGE (HECM) [Back to top](#)  
Also known as a reverse annuity mortgage. It allows home owners (usually older) to convert equity in the home into cash. Normally paid by the lender in monthly payments. HECM's typically do not have to be repaid until the borrower is no longer occupying the home.

HOME EQUITY LINE OF CREDIT [Back to top](#)  
A type of mortgage loan that allows the borrower to draw cash against the equity in his home.

HOME INSPECTION [Back to top](#)  
A complete examination of a building to determine its structural integrity and uncover any defects in materials or workmanship which may adversely affect the property or decrease its value.

HOME INSPECTOR [Back to top](#)  
A person who performs professional home inspections. Usually, with an extensive

TODAY

## Experience the Advantage of an Executive Today!

knowledge of house construction methods, common house problems, how to identify those problems and how to correct them.

### HOMEOWNER'S ASSOCIATION [Back to top](#)

An organization of home owners in a particular neighborhood or development formed to facilitate the maintenance of common areas and to enforce any building restrictions or covenants.

### HOMEOWNER'S INSURANCE [Back to top](#)

A policy which covers a home owner for any loss of property due to accident, intrusion or hazard.

### HOMEOWNER'S WARRANTY [Back to top](#)

An insurance policy covering the repair of systems and appliances within the home for the coverage period.

### HUD MEDIAN INCOME [Back to top](#)

Median family income for a particular county or metropolitan statistical area (MSA), as estimated by the Department of Housing and Urban Development (HUD).

### HUD-1 STATEMENT [Back to top](#)

A standardized, itemized list, published by the U.S. Department of Housing and Urban Development (HUD), of all anticipated CLOSING COSTS connected with a particular property purchase.

### IMPROVED LAND [Back to top](#)

Any parcel of land which has been changed from its natural state through the creation of roads, buildings or other structures.

### IMPROVEMENTS [Back to top](#)

Any item added to vacant land with the intent of increasing its value or usability.

### IMPROVEMENT RATIO [Back to top](#)

The comparative value of an improved piece of land to its natural, unaltered state.

### INCOME APPROACH [Back to top](#)

The process of estimating the value of property by considering the present value of a stream of income generated by the property.

### INCOME PROPERTY [Back to top](#)

A piece of property whose highest and best use is the generation of income through rents or other sources.

### INDEPENDENT APPRAISAL [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

An estimation of value created by a professional, certified appraiser with no vested interest in the value of the property.

INSPECTION [Back to top](#)

The examination of a piece of property, its buildings or other amenities.

INSURABLE TITLE [Back to top](#)

The title to property which has been sufficiently reviewed by a title insurance company, such that they are willing to insure it as free and clear.

INTEREST RATE [Back to top](#)

A percentage of a loan or mortgage value that is paid to the lender as compensation for loaning funds.

INVESTMENT PROPERTY [Back to top](#)

Any piece of property that is expected to generate a financial return. This may come as the result of periodic rents or through appreciation of the property value over time.

JAMB [Back to top](#)

The side of a door frame.

JOINT TENANCY [Back to top](#)

A situation where two or more parties own a piece of property together. Each of the owners has an equal share, and may not dispose of or alter that share without the consent of the other owners.

JOISTS [Back to top](#)

Horizontal beams laid on edge to support flooring or a ceiling.

JUDGMENT [Back to top](#)

An official court decision. If the judgment requires payment from one party to another, the court may put a lien against the payee's property as collateral.

JUDICIAL FORECLOSURE [Back to top](#)

A type of foreclosure conducted as a civil suit in a court of law.

JUMBO LOAN [Back to top](#)

A mortgage loan for an amount greater than the limits set by Fannie Mae and Freddie Mac. Often called non-conforming loans.

LALLY COLUMN [Back to top](#)

A concrete filled steel pipe used to support beams.

LATE CHARGE [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

An extra charge, or penalty added to a regular mortgage payment when the payment is made late by an amount of time specified in the original loan document.

LATENT DEFECTS [Back to top](#)

Any defect in a piece of property which is not readily apparent, but which has an impact of the value. Structural damage or termite infestation would be examples of latent defects.

LEASE [Back to top](#)

A contract between a property owner and a tenant specifying the payment amount, terms and conditions, as well as the length of time the contract will be in force.

LEASEHOLD ESTATE [Back to top](#)

A type of property "ownership" where the buyer actually has a long-term lease on the property.

LEASE OPTION [Back to top](#)

A lease agreement that gives the tenant an option to buy the property. Usually, a portion of the regular monthly rent payment will be applied towards the down payment.

LEGAL DESCRIPTION [Back to top](#)

The description of a piece of property, identifying its specific location in terms established by the municipality or other jurisdiction in which the property resides. Often related in specific distances from a known landmark or intersection.

LENDER [Back to top](#)

The person or entity who loans funds to a buyer. In return, the lender will receive periodic payments, including principal and interest amounts.

LIABILITIES [Back to top](#)

A person's outstanding debt obligations.

LIABILITY INSURANCE [Back to top](#)

Insurance that covers against potential lawsuit brought against a property owner for alleged negligence resulting in damage to another party.

LIEN [Back to top](#)

Any claim against a piece of property resulting from a debt or other obligation.

LIFE CAP [Back to top](#)

A limit on how far the interest rate can move for an Adjustable Rate Mortgage.

LIKE-KIND PROPERTY [Back to top](#)

Any property which is substantially similar to another property.

TODAY

## Experience the Advantage of an Executive Today!

### LINE OF CREDIT [Back to top](#)

An extension of credit for a certain amount for a specific amount of time. To be used by the borrower at his discretion.

### LIQUID ASSET [Back to top](#)

Any asset which can be quickly converted into cash at little or no cost, or cash itself.

### LOAN [Back to top](#)

Money borrowed, to be repaid with interest, according to the specific terms and conditions of the loan.

### LOAN OFFICER [Back to top](#)

A person that "sells" loans, representing the lender to the borrower, and the borrower to the lender.

### LOAN ORIGINATION [Back to top](#)

How a lender refers to the process of writing new loans.

### LOAN SERVICING [Back to top](#)

The processing of payments, mailing of monthly statements, management and disbursement of escrow funds etc Typically carried out by the company you make payments to.

### LOAN-TO-VALUE RATIO (LTV) [Back to top](#)

The comparison of the amount owed on a mortgaged property to its fair market value.

### LOCK-IN [Back to top](#)

An agreement between a lender and a borrower, guaranteeing an interest rate for a loan if the loan is closed within a certain amount of time.

### LOCK-IN PERIOD [Back to top](#)

The amount of time the lender has guaranteed an interest rate to a borrower.

### MAJOR DEFICIENCY [Back to top](#)

A deficiency that strongly impacts the usability and habitability of a house. Or a deficiency that may be very expensive to repair.

### MANUFACTURED HOUSING [Back to top](#)

Once known as "mobile homes," manufactured housing is any building which has been constructed off site, then moved onto a piece of real property.

### MARGIN [Back to top](#)

The difference between the interest rate and the index on an adjustable rate mortgage.

TODAY

## Experience the Advantage of an Executive Today!

### MARGINAL LAND [Back to top](#)

Land whose value has been diminished due to some internal defect or external condition. In most cases, the cost to correct the flaw or condition is as much or more than the expected return from the property.

### MASTER ASSOCIATION [Back to top](#)

An umbrella organization that is made up of multiple, smaller home owner's associations. Often found in very large developments or condominium projects.

### MATURITY [Back to top](#)

The date on which the principal balance of a financial instrument becomes due and payable.

### MERGED CREDIT REPORT [Back to top](#)

A credit report derived from data obtained from multiple credit agencies.

### METES AND BOUNDS [Back to top](#)

A traditional way of describing property, generally expressed in terms of distance from a known landmark or intersection, and then following the boundaries of the property back to its origin.

### METROPOLITAN AREA [Back to top](#)

The accumulated land in and around a city or other municipality which falls under the political and economic influence of that entity.

### MINERAL RIGHTS [Back to top](#)

The legal right to exploit and enjoy the benefits of any minerals located below the surface of a parcel of land.

### MISREPRESENTATION [Back to top](#)

A statement by one party in a transaction that is incorrect or misleading. Most misrepresentations are deemed to be intentional and thus may constitute fraud. Others, however, some are rendered through simple mistakes, oversights or negligence.

### MORTGAGE [Back to top](#)

A financial arrangement wherein an individual borrows money to purchase real property and secures the loan with the property as collateral.

### MORTGAGE BANKER [Back to top](#)

A financial institution that provides primary and secondary mortgages to home buyers.

### MORTGAGE BROKER [Back to top](#)

A person or organization that serves as a middleman to facilitate the mortgage process. Brokers often represent multiple mortgage bankers and offer the most appropriate deal to

TODAY

## Experience the Advantage of an Executive Today!

each buyer.

MORTGAGEE [Back to top](#)

The entity that lends money in a real estate transaction.

MORTGAGE INSURANCE [Back to top](#)

A policy that fulfills those obligations of a mortgage when the policy holder defaults or is no longer able to make payments.

MORTGAGE INSURANCE PREMIUM (MIP) [Back to top](#)

A fee that is often included in mortgage payments that pays for mortgage insurance coverage.

MORTGAGE LIFE INSURANCE [Back to top](#)

A policy that fulfills the obligations of a mortgage when the policy holder dies.

MORTGAGOR [Back to top](#)

The entity that borrows money in a real estate transaction.

MULTI-FAMILY PROPERTIES [Back to top](#)

Any collection of buildings that are designed and built to support the habitation of more than four families.

NATIONAL ASSOCIATION OF MASTER APPRAISERS (NAMA) [Back to top](#)

A non profit professional association organized in 1982, dedicated to the advancement of professionalism in real estate appraisal.

NATIONAL SOCIETY OF REAL ESTATE APPRAISERS [Back to top](#)

An organization founded in 1956 which promotes standards of professionalism in its members.

NATURAL VACANCY RATE [Back to top](#)

The percentage of vacant properties in a given area that is the result of natural turnover and market forces.

NEGATIVE AMORTIZATION [Back to top](#)

When the balance of a loan increases instead of decreases. Usually due to a borrower making a minimum payment on an Adjustable Rate Mortgage during a period when the rate fluctuates to a high enough point that the minimum payment does not cover all of the interest.

NEIGHBORHOOD LIFE-CYCLE [Back to top](#)

The evolution of neighborhood use and demographics over time. Economic fluctuations,

TODAY

## Experience the Advantage of an Executive Today!

municipal zoning changes and population shifts can effect the life cycle.

### NEIGHBORHOOD [Back to top](#)

A subsection of a municipality that has been designated by a developer, economic forces or physical formations.

### NET LEASABLE AREA [Back to top](#)

The space in a development, outside of the common areas, that can be rented to tenants.

### NEW ENGLAND COLONIAL [Back to top](#)

An architectural style dating from early American history typified by a two-story building with clapboard siding.

### NO-COST LOAN [Back to top](#)

Many lenders offer loans that you can obtain at "no cost." You should inquire whether this means there are no "lender" costs associated with the loan, or if it also covers the other costs you would normally have in a purchase or refinance transactions, such as title insurance, escrow fees, settlement fees, appraisal, recording fees, notary fees, and others. These are fees and costs which may be associated with buying a home or obtaining a loan, but not charged directly by the lender. Keep in mind that, like a "no-point" loan, the interest rate will be higher than if you obtain a loan that has costs associated with it.

### NO-POINT LOAN [Back to top](#)

A loan with no "points". The interest rate on such a loan will be higher than a loan with points paid. Also sometimes refers to a refinance loan where closing costs are included in the loan.

### NON-CONFORMING USE [Back to top](#)

The use of land for purposes contrary to the applicable municipal zoning specifications. Often occurs when zoning changes after a property is in use.

### NONLIQUID ASSET [Back to top](#)

Any asset which can not be quickly converted into cash at little or no cost.

### NOTE [Back to top](#)

A legal document that obligates a borrower to repay a mortgage loan at a stated interest rate during a specified period of time.

### NOTE RATE [Back to top](#)

The interest rate stated on a mortgage note.

### NOTICE OF DEFAULT [Back to top](#)

Formal written notice from a lender to a borrower that default has occurred.

TODAY

## Experience the Advantage of an Executive Today!

### OBSOLESCENCE [Back to top](#)

The process of an assets value diminishing due to the development of more desirable alternatives or because of the degradation of its capabilities.

### OCCUPANCY [Back to top](#)

A physical presence within and control of a property.

### OCCUPANCY RATE [Back to top](#)

The percentage of properties in a given area that are occupied.

### OCTOPUS RECEPTACLE [Back to top](#)

An outlet with too many devices plugged into it, using a power strip or other device to multiply the outlets.

### OFF-SITE IMPROVEMENTS [Back to top](#)

Buildings, structures or other amenities which are not located on a piece of property, but are necessary to maximize the use of the property or in some way contribute to the value of the property.

### OFF-STREET PARKING [Back to top](#)

Designated parking spaces associated with a particular building or other structure which are not located on public streets.

### OLD TERMITE ACTIVITY [Back to top](#)

Where no termites are currently active, but indications of past activity can be seen.

### ON-SITE IMPROVEMENTS [Back to top](#)

Buildings, structures or other amenities that are erected on a piece of property and contribute to its value.

### OPEN SPACE [Back to top](#)

Any land which has not had any significant buildings or structures erected on it. Most often used to describe desirable neighborhood features like parks.

### OPEN SPLICE [Back to top](#)

An uncovered electrical connection.

### ORIGINAL EQUITY [Back to top](#)

The amount of cash a home buyer initially invests in the home.

### ORIGINAL PRINCIPAL BALANCE [Back to top](#)

The total amount of principal owed on a mortgage loan at the time of closing.

### ORIGINATION FEE [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

Refers to the total number of points paid by a borrower at closing.

OWNER FINANCING [Back to top](#)

A transaction where the property owner provides all or part of the financing.

OWNER OCCUPIED [Back to top](#)

The state of property wherein the owner occupies at least some portion of the property.

PARGING [Back to top](#)

The cement coat applied to block foundations.

PARTIAL INTEREST [Back to top](#)

A shared ownership in a piece of property. May be divided among two or more parties.

PARTIAL PAYMENT [Back to top](#)

A payment of less than the regular monthly amount. Usually, a lender will not accept partial payments.

PERIODIC PAYMENT CAP [Back to top](#)

The limit on how much regular monthly payments on an Adjustable Rate Mortgage can change during one adjustment period.

PERIODIC RATE CAP [Back to top](#)

The limit on how much the interest rate on an Adjustable Rate Mortgage can change during any one adjustment period.

PERSONAL PROPERTY [Back to top](#)

Owned items which are not permanently affixed to the land.

PERSONAL RESIDENCE [Back to top](#)

The primary domicile of a person or family.

PLANNED UNIT DEVELOPMENT (PUD) [Back to top](#)

A coordinated, real estate development where common areas are shared and maintained by an owner's association or other entity.

PLAT [Back to top](#)

A plan or chart of a piece of land which lays out existing or planned streets, lots or other improvements.

POINT [Back to top](#)

A percentage of a mortgage amount (one point = 1 percent).

PRE-APPROVAL [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

The process of applying for a mortgage loan and becoming approved for a certain amount at a certain interest rate before a property has been chosen. Pre-approval allows the borrower greater freedom in negotiations with sellers.

PREFABRICATED [Back to top](#)

Any building or portion thereof which is manufactured and assembled off site, then erected on a property.

PREPAYMENT [Back to top](#)

Payment made that reduces the principal balance of a loan before the due date and before the loan has become fully amortized.

PREPAYMENT PENALTY [Back to top](#)

A fee that may be charged to a borrower who pays off a loan before it is due.

PRE-QUALIFICATION [Back to top](#)

Less formal than pre-approval, pre-qualification usually means a written statement from a loan officer indicating his or her opinion that the borrower will be able to become approved for a mortgage loan.

PRIME RATE [Back to top](#)

The interest rate that banks and other lending institutions charge other banks or preferred customers.

PRINCIPAL [Back to top](#)

The amount owed on a mortgage which does not include interest or other fees.

PRINCIPAL BALANCE [Back to top](#)

The outstanding balance of principal on a mortgage. Does not include interest due.

PRINCIPAL, INTEREST, TAXES, AND INSURANCE (PITI) [Back to top](#)

The most common constituents of a monthly mortgage payment.

PRIVATE MORTGAGE INSURANCE (PMI) [Back to top](#)

A form of mortgage insurance provided by private, non-government entities. Normally required when the LOAN TO VALUE RATIO is less than 20%.

PROPERTY [Back to top](#)

Any item which is owned or possessed.

PURCHASE AGREEMENT [Back to top](#)

A written contract signed by the buyer and seller stating the terms and conditions under which a property will be sold.

TODAY

## Experience the Advantage of an Executive Today!

QUADRAPLEX [Back to top](#)

Any building designed to accommodate four families.

QUALIFYING RATIOS [Back to top](#)

Two ratios used in determining credit worthiness for a mortgage loan. One is the ratio of a borrower's monthly housing costs to monthly income. The other is a ratio of all monthly debt to monthly income.

QUITCLAIM DEED [Back to top](#)

A legal document which transfers any ownership an individual has in a piece of property. Often used when the amount of ownership is not known or is unclear.

RAFTER [Back to top](#)

A structural element of the roof, sloping from the peak to the outer walls.

RANCH HOUSE [Back to top](#)

An architectural style typified by a single-story, low-roof construction. Popular in the western U.S.

RATE LOCK [Back to top](#)

A guarantee from a lender of a specific interest rate for a period of time.

RAW LAND [Back to top](#)

Any land which has not been developed.

REAL ESTATE [Back to top](#)

A piece of land and any improvements or fixtures located on that land.

REAL ESTATE AGENT [Back to top](#)

A licensed professional who facilitates the buying and selling of real estate.

REAL ESTATE SETTLEMENT PROCEDURES ACT (RESPA) [Back to top](#)

A federal law requiring lenders to give full disclosure of closing costs to borrowers.

REAL PROPERTY [Back to top](#)

Land, improvements and appurtenances, and the interest and benefits thereof.

REALTOR® [Back to top](#)

A real estate agent or broker who is a member of the NATIONAL ASSOCIATION of REALTORS®

RECEPTACLE [Back to top](#)

An electrical outlet to plug into.

TODAY

## Experience the Advantage of an Executive Today!

### RECORDER [Back to top](#)

A local government employee whose role it is to keep records of all real estate transactions within the jurisdiction.

### RECORDING [Back to top](#)

The filing of a real estate transaction with the appropriate government agent (normally the RECORDER). A real estate transaction is considered final when it is recorded.

### REFINANCE TRANSACTION [Back to top](#)

A new loan to pay off an existing loan. Typically to gain a lower interest rate or convert equity into cash.

### REGISTER [Back to top](#)

Where air from a furnace or air conditioning system enters the room.

### RELOCATION SERVICE [Back to top](#)

Any company or agency that assists corporate employees in relocating from one place to another. Services may include hiring and coordinating real estate agents, moving companies, utilizes and the like.

### REMAINING BALANCE [Back to top](#)

The amount of principal, interest and other costs that has not yet been repaid.

### REMAINING TERM [Back to top](#)

The amount of time remaining on the original amortization schedule.

### REMODEL [Back to top](#)

An activity designed to improve the value or desirability of a property through rebuilding, refurbishing, redecorating or adding on to it.

### REPAYMENT PLAN [Back to top](#)

A plan to repay delinquent payments, agreed upon between a lender and borrower, in an effort to avoid foreclosure.

### REPLACEMENT RESERVE FUND [Back to top](#)

An account, or fund, setup for the replacement of short life items, such as carpeting, in the common areas of a cooperative property.

### RESIDENTIAL PROPERTY [Back to top](#)

A piece of property whose highest and best use is the maintenance of a residence.

### REVOLVING DEBT [Back to top](#)

A type of credit that allows the borrower/customer to make charges against a predetermined line of credit. The customer then pays monthly installments on the amount

TODAY

## Experience the Advantage of an Executive Today!

borrowed, plus interest.

RIDGE BOARD [Back to top](#)

The structural member of a roof where the rafters join at the top.

RIGHT OF FIRST REFUSAL [Back to top](#)

An agreement giving a person the first opportunity to buy or lease a property before the owner offers it for sale to others.

ROOF PITCH [Back to top](#)

The degree of slope in a roof.

RURAL [Back to top](#)

An area outside of an established urban area or metropolitan district.

SALE PRICE [Back to top](#)

The actual price a property sells for, exclusive of any special financing concessions.

SALES COMPARISON APPROACH [Back to top](#)

An appraisal practice which estimates the value of a property by comparing it to comparable properties which have sold recently.

SCARCITY [Back to top](#)

An economic principal that dictates the price of a good or service through the interaction of supply and demand. When an item is scarce, its price tends to rise, given a constant demand. Real Estate is a classic example of scarcity.

SECOND MORTGAGE [Back to top](#)

A loan secured by the equity in a home, when a primary mortgage already exists.

SECONDARY MORTGAGE MARKET [Back to top](#)

An economic marketplace where mortgage bankers buy and sell existing mortgages.

SECURED LOAN [Back to top](#)

A loan that is backed by collateral. In the case of a mortgage loan, the collateral is the house.

SECURITY [Back to top](#)

The property used as collateral for a loan.

SEMIDETACHED HOUSING [Back to top](#)

Two residences which share a common wall.

SERVICER [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

A financial institution which collects mortgage payments from borrowers and applies the appropriate portions to principal, interest and any escrow accounts.

SERVICING [Back to top](#)

The processing of payments, mailing of monthly statements, management and disbursement of escrow funds etc Typically carried out by the company you make payments to.

SHEATHING [Back to top](#)

The covering on outside walls beneath the siding or exterior finish such as stucco.

SHEETROCK [Back to top](#)

Also called drywall, the gypsum board commonly used on interior walls.

SILL PLATE [Back to top](#)

The lumber used around the foundation to support exterior wall framing.

SILL COCK [Back to top](#)

Garden hose pipe connection.

SINGLE-FAMILY PROPERTY [Back to top](#)

A property designed and built to support the habitation of one family.

SOFFIT [Back to top](#)

The underside of a cornice at the eaves.

STUCCO [Back to top](#)

A textured plaster exterior (and occasionally interior) wall finish.

STUD [Back to top](#)

A vertical framing piece in a wall, generally 2x4 lumber in interior walls.

SUBDIVISION [Back to top](#)

A residential development that is created from a piece of land which has been subdivided into individual lots.

SUBJECT PROPERTY [Back to top](#)

A term which indicates a property which is being appraised.

SUMP [Back to top](#)

A basin into which water drains and from which the water is pumped out.

SURVEY [Back to top](#)

A specific map of a piece of property which includes the legal boundaries and any

TODAY

## Experience the Advantage of an Executive Today!

improvements or features of the land. Surveys also depict any rights-of-way, encroachments or easements.

SWEAT EQUITY [Back to top](#)

The method whereby a home owner develops equity in a property, either during the purchase or throughout its life, by personally constructing improvements rather than paying to have them built.

TAX-EXEMPT PROPERTY [Back to top](#)

Any property which is not taxed.

TENANCY [Back to top](#)

The right to occupy a building or unit.

TENANCY IN COMMON [Back to top](#)

A form of holding title, whereby there are two or more people on title to a property, ownership does not pass on to the others upon the death of one individual.

THIRD PARTY ORIGATION [Back to top](#)

When a lender uses a third party to originate and package loans for sale to the secondary market (Fannie Mae, Freddie Mac).

TITLE [Back to top](#)

A specific document which serves as proof of ownership.

TITLE COMPANY [Back to top](#)

An organization which researches and certifies ownership of real estate before it is bought or sold. Title companies also act at the facilitator ensures all parties are paid during the real estate transaction.

TITLE INSURANCE [Back to top](#)

A policy which insures a property owner should a prior claim arise against the property after the purchase has been completed. This also covers a lender should a question of ownership arise.

TITLE SEARCH [Back to top](#)

The process whereby the TITLE COMPANY researches a properties title history and ensures that no outstanding claims exist.

TRANSFER OF OWNERSHIP [Back to top](#)

Any means by which the ownership of a property changes hands.

TRANSFER OF TAX [Back to top](#)

TODAY

## Experience the Advantage of an Executive Today!

Taxes payable when title passes from one owner to another.

TRAP [Back to top](#)

A bend in water pipe.

TRUSTEE [Back to top](#)

A fiduciary that holds or controls property for the benefit of another.

TRUTH IN LENDING [Back to top](#)

A federal law requiring full disclosure by lenders to borrowers of all terms, conditions and costs of a mortgage.

TUDOR [Back to top](#)

A style of architecture typified by exposed stone, wood and brick construction. Similar in style to English manor homes.

UNDER IMPROVED LAND [Back to top](#)

A piece of land which has been improved, but not to the full extent of its potential.

UNENCUMBERED PROPERTY [Back to top](#)

Any property which has no outstanding claims or liens against it.

UNIFORM STANDARDS OF PROFESSIONAL APPRAISAL PRACTICE (USPAP) [Back to top](#)

Developed in 1986 by the Ad Hoc Committee on Uniform Standards and copyrighted in 1987 by The Appraisal Foundation, USPAP forms the guidelines followed by every licensed and certified real estate appraiser in the United States. The purpose of these Standards is to establish requirements for professional appraisal practice, which includes appraisal, appraisal review, and appraisal consulting. The intent of these Standards is to promote and maintain a high level of public trust in professional appraisal practice.

USEFUL LIFE [Back to top](#)

The span of time over which a property can be used or can provide benefits to its owner.

VACANCY RATE [Back to top](#)

The current percentage of vacant properties in a given area, regardless of why they are vacant.

VA MORTGAGE [Back to top](#)

A mortgage that is guaranteed by the Department of Veterans Affairs (VA).

VARIANCE [Back to top](#)

An exception to municipal zoning regulations granted for a specific time period to allow for non-conforming use of the land.

TODAY

## Experience the Advantage of an Executive Today!

VENT PIPE [Back to top](#)

A pipe allowing gas to escape.

VESTED [Back to top](#)

Having the right to use a portion of a fund such as an IRA. Typically vesting occurs over time. If you are 100% vested, you have a right to 100% of the fund.

VETERANS AFFAIRS, DEPARTMENT OF (VA) [Back to top](#)

The successor to the Veteran's Administration, this government agency is responsible for ensuring the rights and welfare of our nation's veterans and their dependents. Among other duties, the VA insures home loans made to veterans.

VOLTAGE [Back to top](#)

An expression of electric force, or pressure. One volt being the force needed to move one amp against one ohm resistance.

WALK-THROUGH INSPECTION [Back to top](#)

A process whereby an appraiser examines a property in preparation for estimating its value. Also, the process of inspecting a property for any damage prior to that property being bought or sold.

WARRANTY [Back to top](#)

An affidavit given to stipulate the condition of a property. The person giving the warranty assumes liability if the condition turns out to be untrue.

WATT [Back to top](#)

An expression of amount of electrical power. Volt times amps equals watts.

WEAR AND TEAR [Back to top](#)

A term used to indicate the normal damage inflicted on a property through every-day use.

WEATHER STRIPPING [Back to top](#)

Material used around windows and doors to prevent drafts.

WEEP HOLE [Back to top](#)

Drainage hole that allows water to escape.

ZERO LOT LINE [Back to top](#)

A municipal zoning category wherein a building or other fixture may abut the property line.

ZONE [Back to top](#)

A specific area within a municipality or other jurisdiction which conforms to certain guidelines regarding the use of property in the zone. Typical zones include single-family, multi-family, industrial, commercial and mixed-use.

TODAY
